In that moment as he said, "Lord," his spiritual eyes were opened. And Jesus said, "Your faith has made you whole." Notice—not your intellectual understanding, not your money, not your works—but your faith. Faith! That's all it takes! Immediately Bartimaeus, who had been blind all of his life, began to open his eyes,

Esotropia is a form of strabismus (eye misalignment) characterized by an inwards turn of one or both eyes [See figure 1]. It may be intermittent or constant and may occur with near fixation, distance fixation, or both. The crossing may occur mostly with one eye or may alternate between eyes. Esotropia may occur at any age and is the opposite of exotropia (outward eye turn). Fig. 1: Esotropia

Medal of Honor is a first-person shooter developed by DreamWorks Interactive and published by Electronic Arts (EA). It was the first non-fantasy World War II first-person shooter and created a whole genre of video games related to the period temoinages. Medal of Honor soon spawned an entire series, and became the first game in that series. It was released in North America on Veteran's Day

true giving. It may not be a home-run, but it gets you on base—which is a lot further than the majority of church members ever get.”

Giving with the proper attitude and an eternal perspective opens our hearts to the needs of others. We see the world through God's eyes.
